

FOLD YOUR TOWN

CREATED BY A LINE ART

We need your help!

YOU and your family are invited to create a large paper model town inspired by your local area and community of Godalming.

This pack is full of templates and ideas to get you started! We want you to use your imagination to bring to life the local landmarks, places and spaces which are important to you!

Draw, colour and decorate your landmarks using the templates inside and we have also included blank ones so you can design your own landmarks. Carefully cut them out, decorate them and fold them to bring them to life!

On **Wednesday 10 August** we invite you to **Godalming Library, Bridge Street, GU7 1HT** from **11am - 3pm**. Bring down your landmarks and place them on our giant map, which will include everyone else's contributions too! The map will create a beautiful art installation which will represent and bring to life Godalming!

You can find more about us and our work below...
